**NEW STYLES 2015**

spirella Ambiente Novelties.

Mit unseren Neuheiten setzen wir Akzente und bringen neuen Schwung in Ihr Bad. Zum Beispiel mit der Pure Linie in dezenter Pastelltönen. Die bewährte Tube Linie wird durch Tube Nature, mit eingearbeitetem Kork, und Tube Ribbed, in leichten Reliefrillen, ergänzt. Ordnung schaffen Sie mit dem Sydney Schmuckbaum, der Sydney Multibox und, als absolutes Highlight, den Wallbaskets in trendigen Farben, die zusammengesteckt wie auch einzeln aufgehängt werden können.

Nos nouveautés donnent une nouvelle orientation à votre salle de bains, lui insufflent un nouvel élan. La ligne Pure aux doux tons pastel en est le parfait exemple. La ligne Tube qui a fait ses preuves s'enrichit pour sa part de Tube Nature, avec du liège incorporé, et de Tube Ribbed, légèrement cannelé. C'est si facile de créer de l'ordre avec l'arbre à bijoux Sydney, la multi-box Sydney et, nec plus ultra, les paniers muraux aux couleurs tendance à disposer ensemble ou séparément.

Con le nostre novità poniamo accenti e portiamo vivacità nel vostro bagno. Ad esempio con la linea Pure nei discreti colori pastello. L'apprezzata linea Tube viene completata da Tube Nature, con inserti in sughero, e da Tube Ribbed, caratterizzata da leggeri rilievi. Fate ordine con l'albero portagioielli Sydney, con il contenitore a più scomparti Sydeny e, come pezzo forte, con le ceste da parete nei colori di tendenza, da appendere in gruppo o singolarmente.

Our new products bring out the best and breathe new life into your bathroom. For example, the Pure line, in subtle pastel tones. The much-loved Tube line is now complemented by Tube Nature with its integrated cork and Tube Ribbed with slightly ribbed relief lines. You can create order with the Sydney jewellery tree and the Sydney multi-box, but the absolute highlights are the wall hanging baskets in trendsetting colours, which can be hung up either together or individually.
