HOME RE-IMAGINED

EKO EUROPE 2026 NEW COLLECTION

OUR MISSION

To design exquisitely crafted products for a cleaner, greener world.

SUSTAINABILITY AT EKO

Better design for a better future. We use responsibly sourced eco-friendly materials, energy-efficient manufacturing, durable craftsmanship to minimize waste, and beautiful products to inspire better behaviors in waste sorting—building a better environment in your home and on the planet we share.

OUR SUSTAINABILITY PILLARS

Stainless Steel Motion Sensor Bins

EKO's stainless steel sensor bins offer effortless, touch-free convenience with premium durability. Exquisitely crafted stainless steel construction, finished with fingerprint-resistant properties, ensures an enduring sleek, spotless look. Equipped with an advanced motion sensor, whisper-quiet lid operation, and tested to last up to 9 months on a single charge or battery set, each bin delivers seamless performance for modern living.

Stainless Steel Step Bins

Our high-quality step bins combine modern, sleek, space-saving designs with user-friendly features like soft-close mechanisms, fingerprint-resistant finishes, and robust pedal systems tested to withstand over 200,000 uses. Durable, elegant, innovative, and refined.

Ergonomic height with hands-free foot pedal

Effortless, one-step diaper disposal.

Dual-action odor seal

Traps smells tight between changes.

BUBU DIAPER PAIL

EK6318

WH VN MIG SE SA GR

30L 32.5x29.5x61cm

Use with BUBU Diaper Pail Refill Bags for the ultimate odor protection for a fresher nursery.

7-layer EVOH odor shield

Our advanced EVOH barrier traps smells at the source, so the nursery smells like baby—not diapers.

Long-lasting roll (400+ newborn diapers)

Fewer refills, fewer late-night runs. One roll handles 400+ newborn diapers.

Quick, fuss-free changes

Pull to the length you need, tie, and drop. Designed to be simple—even one-handed.

Thoughtful, low-waste packaging

By eliminating the bulky cartridge, we reduce plastic packaging waste—better for your home and the planet.

Discreet, opaque blue film

Keeps messes out of sight for a cleaner, calmer look—even when the bin is full.

Custom-length convenience

Make each bag the perfect size, then tie off in seconds for a snug, secure seal.
